

Quality in Governance

In today's highly competitive markets good management is essential, but not enough
need **GOOD GOVERNANCE !!!**

- **Corporate Governance is mainly:**
 - about the Quality of the governance processes, &
 - not only about compliance with regulations

Why are companies interested in Governance?

+ Smoother generational transition in family owned businesses

iGTT GOVERNANCE

INTERNATIONAL ACADEMY FOR QUALITY (IAQ)

QiG Think Tank - PURPOSE:

To contribute to the practice of Governance in all spheres, but particularly:

- in corporations
- through effective utilization of quality concepts
- for equitable and sustainable growth
- without causing harm to the Planet Earth
